

Let CMAA work for you!

- Savings on dinner meetings, educational seminars, conferences and educational materials
- Networking opportunities with owners and colleagues
- Listing in CMAA National "Find a CM/PM" online directory
- Opportunities to increase your firm's visibility by volunteering on a CMAA committee
- Earn CCM renewal points - just by being a member!

PLUS, when your CMAA chapter grows, everyone wins – including you!

It means more local activities, opportunities, networking, contacts, teaming, and more.

While it is in your best interest to belong to CMAA, and build your Chapter, we've added some new rewards!
