

*You are Cordially Invited to Attend*

## **2011 Owner Appreciation Night**

Please join the Northern California Chapter of the Construction Management Association of America in recognizing Owner representatives from the local, state, federal and private sectors. Owner Appreciation Night provides a premier networking opportunity for construction services providers to connect with public and private owners and learn about their projects and staffing needs. Join us to network with professionals from the design, construction and consulting communities!

**This event is FREE for Owner Representatives!**

### **Special Keynote Speaker**

David Conover, Chairman of the Board  
Construction Management Association of America
